**FOR IMMEDIATE RELEASE**

**Vann Data to Celebrate Earth Day with their Semi-Annual Computer Recycling Event Benefiting Stewart-Marchman-Act Foundation – April 22, 2009**

Vann Data Services, Inc., the area's leading technology solutions company, will once again be partnering with A-1 Assets, an industry leader in electronics recycling and reuse, and host their semi-annual Computer Recycling Event on Earth Day, Wednesday, April 22, 2009 from 10am to 2pm! This event is part of Vann Data's ongoing efforts to "Go Green" and encourage the community to help improve the environment by properly recycling computer and electronics.

Bring your old monitors, personal computers, printers, scanners, laptops, and other electronic devices to Vann Data at 1801 Dunn Avenue in Daytona Beach from 10:00 am through 2:00 pm. Guests are invited to enjoy free hot dogs and sodas as a thank you for showing their care and concern for the environment.

Voluntary donations of \$1 per item are requested of which 100% of proceeds will benefit Stewart-Marchman-Act Foundation which supports the clients and programs of the Stewart-Marchman-Act Behavioral Healthcare.

A1 Assets will accept your equipment ensuring that all sensitive data is wiped from your hard drives using a DOD, HIPAA compliant, and FBI certified software program. All property tags will also be removed to maintain confidentiality thus safeguarding you from liability. A1 offers a state recognized environmentally friendly solution for your surplus inventory, end-of-life assets and obsolete electronic equipment.

Come and help us celebrate Earth Day - a day dedicated to the environmental health of our planet!
