The **Bridge Clinic** is for patients desiring detoxification from opioids, benzodiazepines, or alcohol. Weekly outpatient visits with our physician are available for a maximum of two months for the detoxification process while awaiting placement in a residential treatment facility or enrollment in an outpatient addictions treatment program. Information about the Bridge Clinic includes:

- The goal of this program is to use medication to help stabilize withdrawal symptoms and cravings in order to begin a treatment program for a drug-free recovery.
- Patients are enrolled for a period of 2 months or LESS. Medication will be TAPERED by the physician during this time in preparation for entry into the appropriate treatment program.
- Attendance at AA/NA meetings or other types of approved support groups is required.
- A urine specimen will be collected at each visit for drug screening.
- Payment is \$150.00 per visit plus the cost of medication. Cash or credit card is accepted.
- The patient may terminate this agreement at any time but will agree to be responsible for any current balance owed.
