Comprehensive Community Support Team

GOALS

- ◆ Restore a person's function and participation in the areas of living, learning, working, and socialization.
- ◆ Lessen or eliminate the debilitating symptoms of mental illness and minimize or prevent the recurrent acute episodes of the illness and promote recovery.
- ◆ Assist in rebuilding the person's skills in the areas of living, learning, working, and socialization to facilitate recovery and reconnection to the community.
- ◆

Our goals are accomplished by focusing on the person's strengths and resources using

a team approach to guide and support him/her with mental illness and co-occurring disorders (substance abuse). Services take place in either an outpatient or community setting. CCST provides assistance in identifying goals and developing a recovery plan which promotes resiliency and recovery.

SERVICES
