Jr. League of Daytona  
 Presents

### Join Us for Our Make a Difference Day Project!

Saturday, October 23rd is the 20th annual "National Day of Doing Good"! United Way of Volusia Flagler has many [projects](#) going on. Stewart-Marchman-Act added a project this week of cleaning up one of our facilities called Blodgett House. It is located at 404 S. Ridgewood in Daytona Beach. We will be there at 8 am ready to pick up sticks, clean up debris, and remove unusable household items. Please join in the FUN!

### Day of Caring Projects - HUGE Successes!

This year's Day of Caring Projects were adopted by the Heroes Team at Lowe's in Deltona, the United States Navy Recruiting office in Volusia Mall, and DaVita Dialysis of Daytona Beach. Our projects this year were tough and necessary.

The [Lowe's Heroes Project](#) was a retaining wall/basketball court rehabilitation project at our adolescent campus.

The retaining wall edges the basketball court and the team ripped up benches, added new benches, planted trees, added irrigation, mulch, and more. The final touch up was a three point line requested by the adolescents on campus. Thank you

Lowe's Heroes for adopting this difficult and expensive project!

The recruiters at the [Navy Recruiting Office](#) plus Ginger Lella and Sam Ruis, United Way Project Leader, finished a painting project of the outpatient offices in Bunnell. Thank you all!

A third project of painting the outpatient mental health offices at New Smyrna Beach was adopted by DaVita Dialysis of Daytona Beach.

They painted on a special Day of Caring Day in October and did a wonderful job. Many thanks!

Thank you to all of our volunteers for everything you do!
