everFUNDS
25% of all purchases benefit the SMA Foundation and their mission to support SMA programs. There are now Recovery cards available designed by the clients at Project WARM.

Thoughtful and generous donations, and many volunteer hours, have helped our eBay auction fundraiser get off to a great start!

100% of your purchase comes to SMA. Remember that if you are someone who auctions on eBay you can choose SMA as a recipient of a percentage of your earnings.

More items will be up for auction in the new year!

SMA Foundation Annual Dinner Gala and Auction

This signature event occurs the Wednesday before the Coke Zero 400 Powered by Coca Cola. The 2011 dinner will be held Wednesday, June 29, 2011 and will honor 2010 Daytona 500 Champion Jamie McMurray! Reserve early because this event is sure to be a sellout! [Sponsorship opportunities](#) are available contact abellizio@SMABehavioral.org

For the first two years the event was held at Adam's Mark. After that the Daytona International Speedway offered the elegant Daytona Club to house the annual event and now it is held at the fabulous DAYTONA 500 Club in the infield. A VIP reception is held on the second floor of the DAYTONA 500 Club. Until his untimely death, Benny Parsons served as the event's Master of Ceremonies. Dr. Jerry Punch has served as our Master of Ceremonies in recent years and Darrell Waltrip is our auctioneer.

Each year the event exceeded previous year's attendance and corporate participation. Last year's event was attended by over 70 businesses and organizations; the vast majority of these organizations were locally based in Volusia and Flagler County. The event has evolved to one of the "must do" events for the area's major businesses. On average, over 450 individuals are in attendance.

Previous honorees include: 1998 – Mark Martin, 1999 – Richard Petty, 2000 – Darrel Waltrip, 2002 – Kevin Harvick, 2003 – Jimmie Johnson, 2004 – Hal Marchman, 2005 – Michael Waltrip, 2006 – Kyle Petty, 2007 – Bobby Ginn, 2008 – Dale Jarrett, 2009 – Vince Carter, and in 2010 – Alan Gustafson.

Cinematique of Daytona has partnered with SMA to raise funds for the SAMHSA funded Prevention on the Move program. Thanks for your [support](#) Cinematique!
